Subject: Application for [Insert Job Title]

Dear Hiring Manager,

I am writing to express my strong interest in the **[Insert Job Title]** position advertised on **[Insert Where You Saw the Job]**. As a graduate with a BSc Degree in Electrical & Computer Engineering (Computer Engineering Focus) from Debre Markos University, I am eager to contribute my technical expertise to your organization.

Key highlights of my Qualification include,

- **Academic Foundation:** Completed my engineering degree with a CGPA of 2.89 and successfully passed the National Exit Examination with a strong score of 68%.
- **Core Technical Competencies:** Possess solid foundational knowledge in computer networks, hardware systems, troubleshooting, and software development principles.
- **Professional Mindset:** Highly collaborative, fast learner, and dedicated to driving operational efficiency and organizational success.

During My Academic Training,

I focused heavily on system architecture, software development, and network infrastructure. I successfully translated these technical principles into practical skills during a three-month internship at the Addis Ababa Light Rail Transport Service Enterprise (AALRTSE). In that role, I diagnosed network disruptions, supported system maintenance, and collaborated across departments to maximize infrastructure uptime. This experience strengthened my ability to solve technical problems rapidly in high-pressure operational environments.

I am confident that my technical skills and proactive work ethic align well with your team's requirements. Thank you for your time and consideration. I have attached my CV for your review and look forward to the possibility of an interview.

Sincerely,

Alemayehu Getnet Amare
